SOUTHERN CALIFORNIA DX CLUB BULLETIN

President: Tom Hoyne, N6NI  
Vice President: Steve Orland, AA6AA  
Secretary: Perry Esten, W6PN  
Treasurer: Irv Emig, W6GC

Director: John Browning, W6SP  
Director: Jim Stevenson, KM6B  
Director: Larry Brockman, N6AR  
Director: Neil Kaltman, K6SMF (Membership)

Editor: Art Munzig, W6PYV, P.O. Box 75095, L.A. 90075, H: 939-1525, W: 382-1107  
Publication & Distribution: Dick Reimer, W6ET, 7811 Agnew Ave., L.A. 90045; H: 670-5486

Correspondence for the club may be sent to the Secretary, Perry Esten, W6PN,  
1141 Summit Road, Santa Barbara, CA 93108.

SCDX Club 2 Meter Repeater: 144.88 IN, 145.48 OUT. DX reports have priority so  
Thursday DX Roundtable - 7:30 PM please don't delay breakers.

Meeting Announcement

Thursday, Nov. 12, 1981 - 7:30 PM  
Department of Water and Power  
111 No. Hope St., Cafeteria

Program: Jim Neiger, N6TJ, will enlighten  
and entertain us with a discussion, slides  
and tapes from his 1968-69 stint on  
Ascension Island as ZD8Z.

Contest Calendar:

Nov. 21-22 VK QRP CW Contest  
Nov. 21-23 ARRL Phone Contest  
Nov. 28-29 CQ WW DX CW Contest  
Dec. 4-6 ARRL 160M CW Contest  
Dec. 12-13 ARRL 10M Contest

W1AW DX Bulletin Schedule

SSB 5:30 & 8:30 PM Thurs., PST, on 1835, 3990, 7290, 14290, 21390, 28590  
CW 4:00 & 7:00 PM Thurs., and 6:00 AM & 1 PM Fri., PST, on 1835, 3580, 7080,  
14080, 21080 and 28080 at 18 WPM.  
RTTY-ASCII 5:00 & 8:00 PM Thurs, and 7:00 AM & 2 PM Fri., PST on 3625, 7095,  
14095, 21095 and 28095. RTTY 60 WPM/170 Hz; ASCII 110 baud/170 Hz.

December Christmas Party - Thurs. Dec. 10

The club needs to know how many will be attending the Christmas Party. Location not  
decided yet. Please let any club officer know how many in your party will be attending  
by next Thursday, Nov. 12, by any means possible - next club meeting, repeater, phone,  
mail, etc. Let's try to have a good turnout!

SCDXC Minutes of Meeting, Oct 8, 1981

The meeting was opened at 8:08 PM by Tom Hoyne, President. Guests introduced were J28AZ, JA1BK and NB6U. It was announced that the door prize was a 1 KW Drake dummy load valued at \$53.- and that tickets were available from the treasurer, Irv Emig. Larry, N6AR, is busy planning the DX Convention to be held in Visalia and sponsored by SCDXC. Tom, N6NI, is arranging for a place to hold the club Xmas party. Contest Logs for the SCDXC Country Chase contest should be given to Jim Stevenson, KM6B. Photographs of the Chinese station BY1PK were passed around by JA1BK who participated in the setting up and operation of the station.

From 8:18 until 9:06 a slide presentation and talk was given by Dick Norton, N6AA, whose subject was "How to go on a DXpedition Cheaply" and "How to stay up 48 hours"; the presentation was amusing as well as informative.

From 9:07 until 9:18 J28AZ explained problems in getting licensed in Ethiopia, including going to jail in the process. Interesting and shows why there are no ET hams on the air at present.

From 9:20 until 9:28 JA1BK showed slides and described a DXpedition to Wallace Island, FW8.

N6NI, Tom, announced that some members have several cards at the QSL bureau but no envelopes. The bureau needs someone to handle the "B" section distribution; any volunteer should contact Keith, K6GXO.

W6GC, Irv, selected Sharon Spring (XYL W6IRD) to draw the winning ticket for the door prize - W6RT, Bill Mauzey was the winner.

The meeting ended at 9:36 PM.

Perry Esten, W6PN  
Secretary

Repeater PL Encoders

As the Board of Directors has recommended and the Club has voted, a PL decoder has been installed, tested and is working properly on the SCDXC repeater. Ron, K6EVR has arranged through his company, Wallace & Wallace, to bring at least 100 PL encoders to our next club meeting for members to purchase. The cost will be \$22.00 plus sales tax. This encoder unit is manufactured by Ferritronics, a commercial manufacturer with 21 years experience. The unit has a one year warranty. Wallace & Wallace has offered to install this unit in your rig, at their facility, for a flat fee of \$15.00. See Ron Camp, K6EVR for details. If you prefer to purchase a Communication Specialists encoder for approximately \$30.00 plus tax, see Dick Reimer, W6ET, for details. These are being made available at a reduced price for SCDXC members.

We will start using the PL system on our club repeater around November 15 so purchase your encoder unit and get it installed so you can continue to work into the machine.

PERSONAL PROFILE - Dave Bell, W6AQ

Dave got interested in Amateur Radio right after World War II. He didn't get his first license until 1951, due, he says, to distractions such as sports and girls (not necessarily in that order) but the lure of the hobby finally overcame his lethargy and he managed to learn the code, but barely, in 1951. His first call sign was W8GUE and his address was simply Andover, Ohio. He was lured into the hobby by W8LIO (loudest in Ohio) and nurtured by W8UKS (Sam Harris, later VHF editor of QST and then in charge of the big dish at Araceibo, Puerto Rico).

His first rig was an S-20R, BC457, and a dipole. He almost immediately converted to sideband with an HQ 129X, Central Electronics signal slicer, a Central Electronics 20A and a pair of 4-125's. His antenna in those days was a home-brew 3-element wide-spaced 20 meter beam up 70 feet in his parents' back yard.

In the mid 50's Dave was DL4NV and operated DL4USA extensively from near Stuttgart, Germany. After that, Dave's TV career started and he operated portable from Syracuse, New York City, Baltimore and Buffalo. In 1960 Sam (XYL) and three kids and Dave moved to California where he was licensed W6BVN. Dave lived in Altadena for about 10 years before moving to his present QTH in the Hollywood Hills, just about directly north of Sunset and Vine.

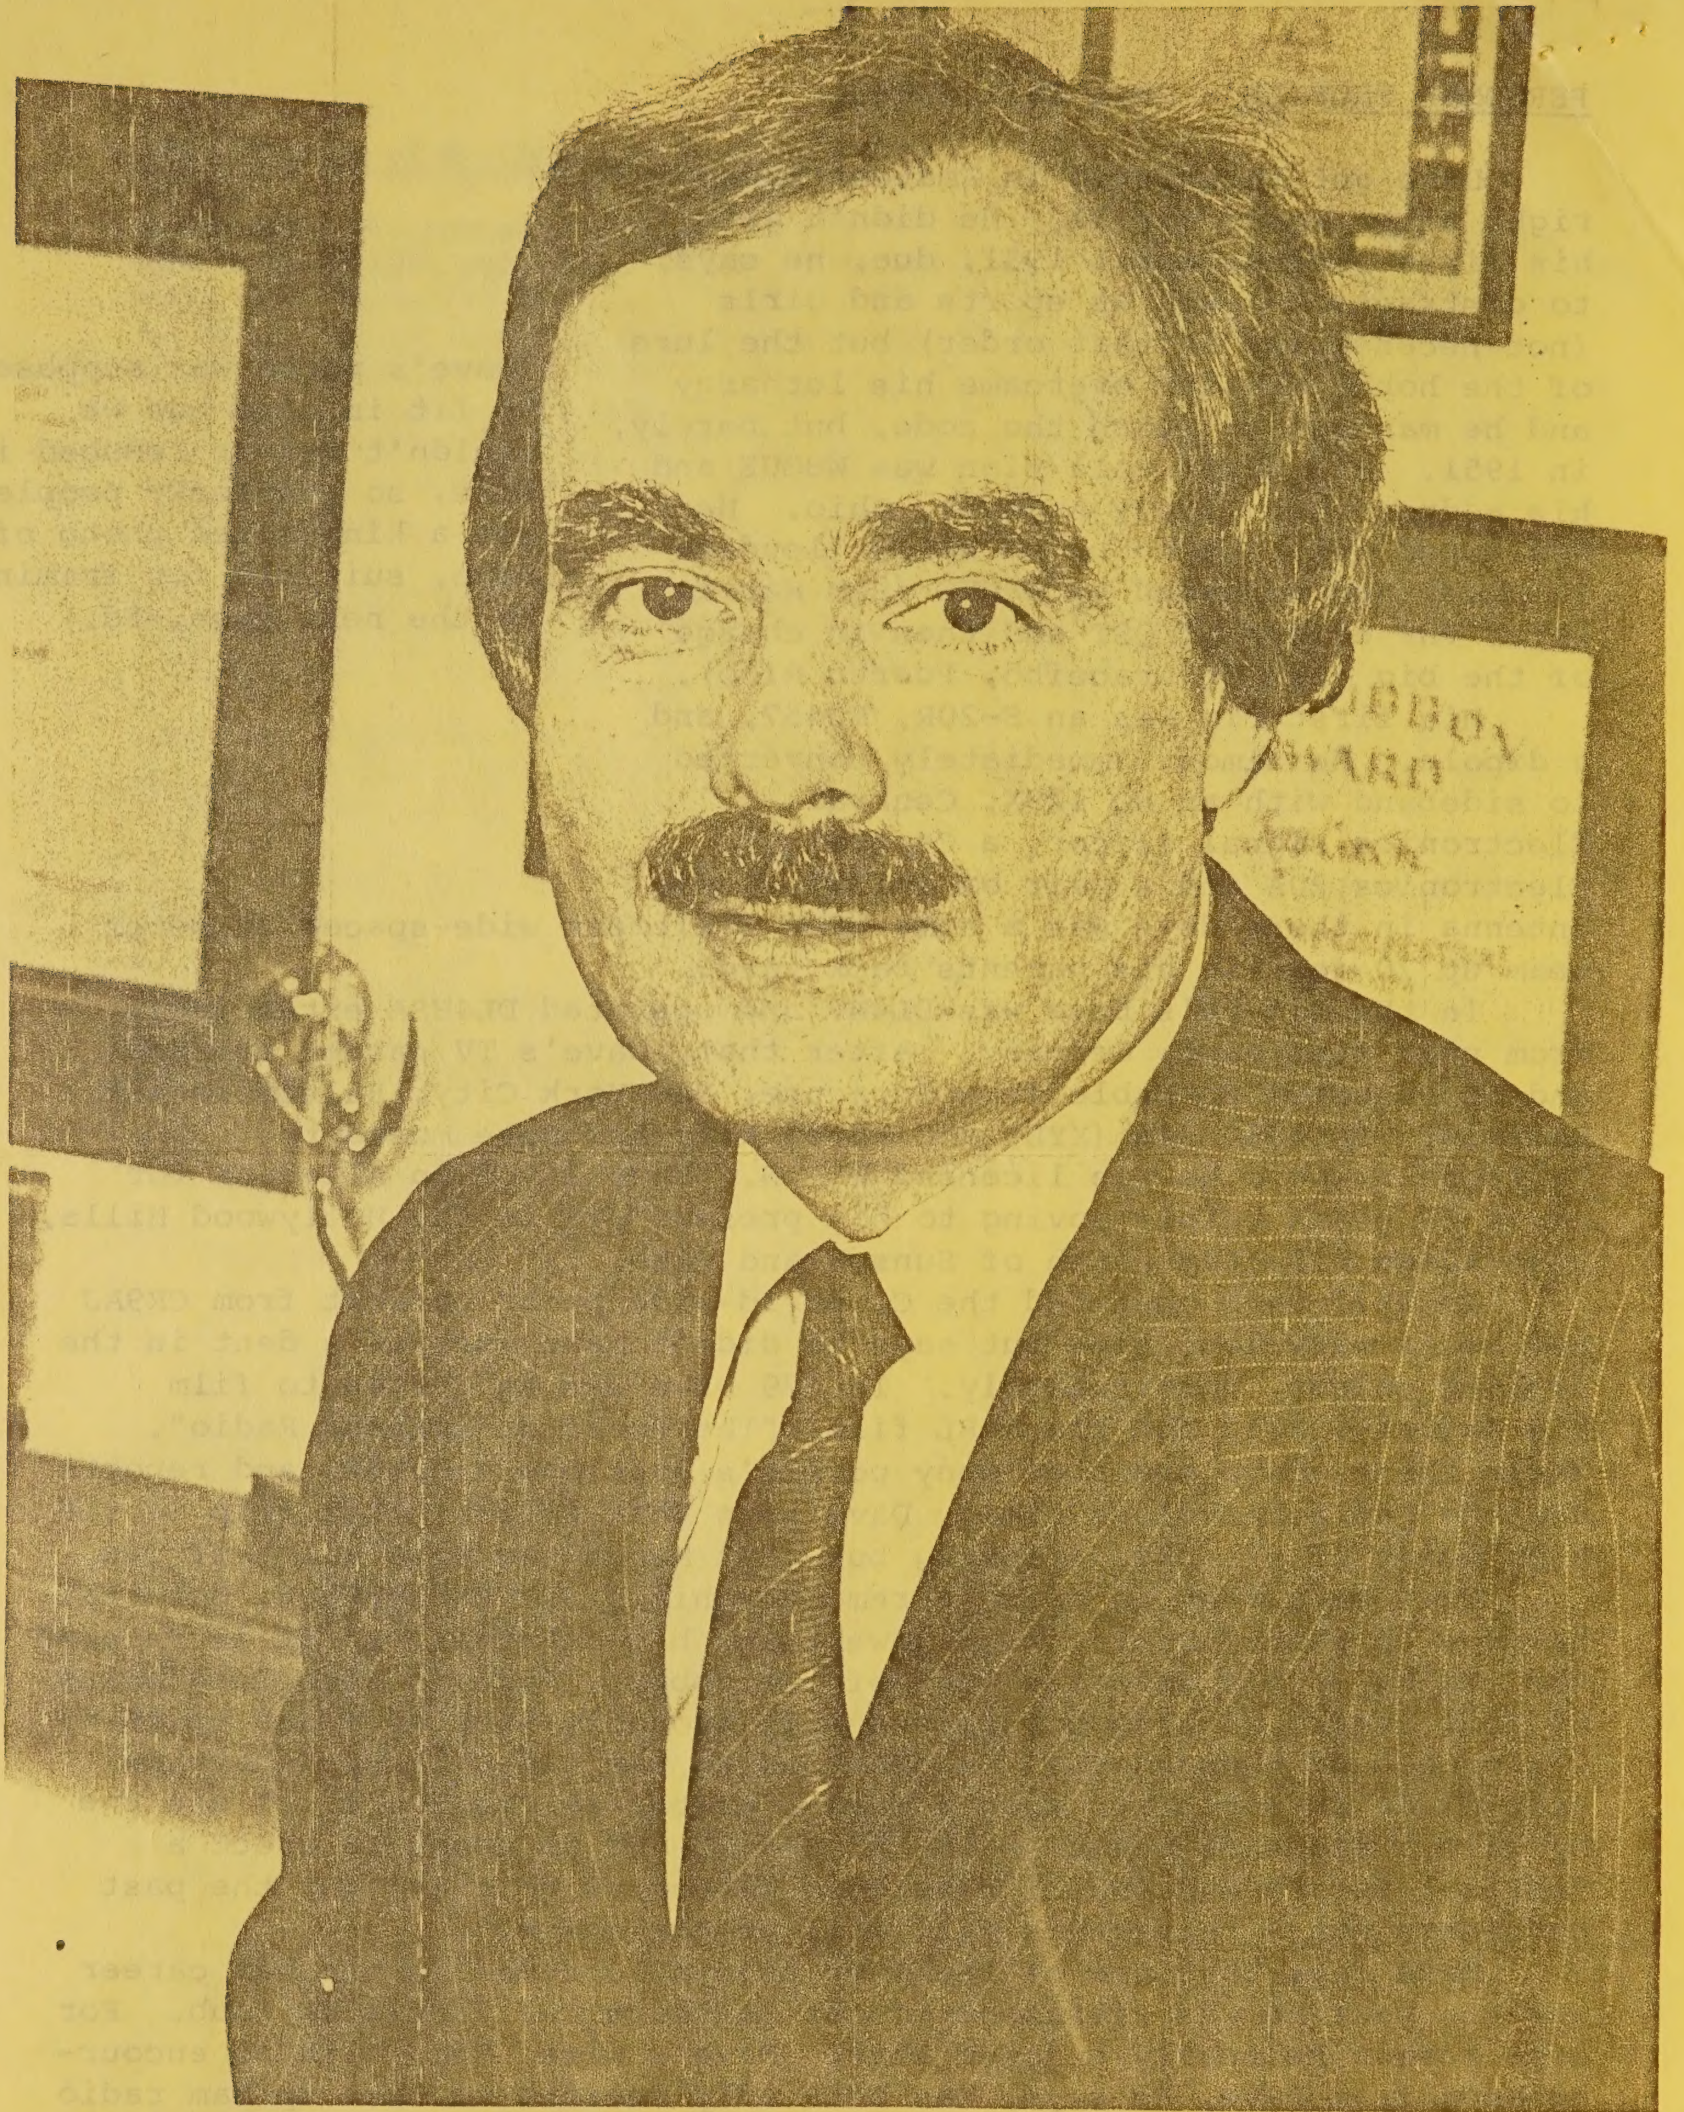

In 1977 Dave operated the CQ world-wide phone contest from CR9AJ and had a marvelous time but says he didn't make much of a dent in the scoring column, unfortunately. In '79 Dave was in Jordan to film His Majesty, JY1, for the ARRL film, "The World of Amateur Radio". While there, Dave operated many people's stations as JY8AQ and reports that he had a marvelous time. Dave says that so far, that trip is the high point of his DXpeditioning but that Macau was also a lot of fun.

Dave says that he doesn't remember his first DX contact, but that he grew up around DXers, high power, and big antennas, so it is natural that DXing is his favorite part of the hobby. Dave is also "beginning to fool around with computers and will probably hook my TRS80 up to my C line one of these days. In addition to the old C line, I have an even older 2K amplifier with a serial number in the 200's. I use the Hy gain 5 elements beams on 10, 15 and 20 and am about to erect a vertical for 80 and 40. I have been 'about to do that' for the past two years but I think this fall will be the charm."

Dave says that one of the most enjoyable times in his ham career was the year he was President of the Southern California DX Club. For some reason he really enjoyed that! Dave's wife, Sam, with no encouragement from Dave, he says, has belatedly decided to take up ham radio and is now KA6QQN. Her code speed is up to about 18 wpm and Dave says that if she doesn't lay off pretty soon she'll be copying faster than he can. Dave says that her theory is "if you can't fight 'em, join 'em."

(Dave's photo was supposed to fit in here but we couldn't get it reduced in size, so you lucky people get a king-sized photo of Dave, suitable for framing, on the next page.-Ed.)

Dave Bell, W6AQ

## New Members

If you know of any prospective members, either full (100 countries or 40 zones confirmed) or associate (25 countries confirmed), contact Membership Chairman Neil Kaltman, K6SMF, 213-995-6242, for application forms, sample Bulletin, etc. Welcome to the following members:

JA1BK, Kan Mizoguchi, Central P.O. Box 231, Tokyo 100-91, Japan (Honorary)  
 W6KGP, Leonard J. Kletman, 307 W. Oak Ave., El Segundo 90245 (Full)  
 W6IL, Ralph Cabanillas Jr., 2359 Creston Dr., Hollywood (Full)  
 W6BFW, Gene W. Adams, 3131 Quail Run Rd., Los Alamitos 90720 (Full)  
 ND6U, Timothy Leroy Pirkle, 11181 Enterprise Dr., Los Alamitos 90720 (Full)  
 K6HNA, Ernest Eldridge Naire, 3482 Colonial Ave., L.A. 90066 (Associate)  
 N7NR, H. David Heumann, 1808 Shipley Ln., Huntington Beach 92648 (Full)  
 N6CYL, Hillard R. Marcus, 2030 Josie Ave., Long Beach 90815 (Associate)  
 KD6TH, David A. Elliot, 6267 Jackie Ave., Woodland Hills 91367 (Associate)  
 WA6LFF, Jim Kingsbury, 11392 Stonecress Ave., Fountain Valley 92708 (Full)  
 K6HAE, A.J. (Sandy) Evangelista, 4643 Hillard Ave., La Canada 91011 (Full)  
 NC6Q, Robert (Bob) L. Grubic, 14893 Marigold Ave., Gardena 90249 (Associate)  
 KD6WD, Bud MacLaughlin, 4332 Silliman Dr., Huntington Beach 92649 (Full)  
 W6PLK, William (Bill) C. Martin, 1715 W. Southgate Ave., Fullerton 92633 (Full)  
 K6QS, Ralph W. Held, 850 Country Club Ln., Coronado 92118 (full)

## Overseas Visitor

Jan, SMØDJZ is visiting in the Los Angeles area from Stockholm and will attend the next SCDXC meeting. Jan has worked 60 SCDXC members and is anxious to exchange QSL cards. If you have QSO'd with Jan, please bring your QSL to the next meeting.

## Results of 1st Annual SCDXC Country Chase - by Jim Stevenson, KM6B

Knowledge of the bands, being a good operator, and having the ability to "dig 'em out" were characteristics shared by the winners. Steve, AA6AA, won category I (max. legal power & beam ant.) and Paul, N6DHV, won category II, (100 W & beam ant. or max. legal power & dipole/vertical). Congratulations to both you guys for a job well done. The rest of us will have to wait til next year.

Comments ranged from "first DX contest in 50 years" to "add zones for a second multiplier". Input was also received to have separate CW and SSB entries and more breaks, while still keeping the test to a maximum of 12 hours.

### Category I results:

<u>Call Sign</u>	<u>Countries</u>	<u>Mode(s)</u>	<u>Operating Time</u>
AA6AA	91	CW/SSB	11h.-54 min.
W6YA	79	CW/SSB	12 hrs.
N6NI	65	CW/SSB	11h.-58 min.
KM6B	55	SSB	9h.-30 min.
K6OS	52	CW	10 hrs.
W6HT	34	CW/SSB	9h.-30 min.

### Category II results:

N6DHV	51	CW/SSB	7h.-43 min.
W6CN	43	SSB	10h.-17 min.
K6GO	41	CW/SSB	11h.-55 min.
W6GC	24	CW	5h.-32 min.

There were no Category III participants. (100 W & dipole/vertical ant.)

## Help Wanted - Bulletin Editor and Assistant Editors

Because of increased business activities and heavier overseas travel, your present Editor will be editing his last Bulletin in December. Your Publisher and Distributor (and former Editor) Dick Reimer, W6ET, will be performing his final "temporary" duties in December also. Dick took over this job 5 years ago on a "temporary" basis and feels that it is now time for someone else.

Both Dick and your current Editor feel that this total job should be broken down into a number of smaller jobs, each of which would take only several hours of work per month. For example:

Editor-in-Chief - collect reports from Assistant Editors and assemble into a standard format.

Ass't Editor - Personal Profiles

Ass't Editor - DX Calendar

Ass't Editor - Activity Reports (reports of DX worked)

Ass't Editor - Club Activities

Ass't Editor - Distribution

Your present Editor is willing to assist the new crew in getting started - all we need are the volunteers. We are sure there are a half dozen members who would like to contribute a few hours a month to keep our Bulletin going. You may be surprised how easy it is. Let's hear from you - right away, please.

## FOR SALE

Drake TR4-C w/32PNB noise blanker, DX Eng. speech processor, AC-4 power supply and MS-4 speaker - \$500. Hamm III rotator - \$100. Drake 2B & 2BQ receiver & Q multiplier - \$150. All in excellent condition. Call Wes Perry, W6MFG - 805/969-5751.

## FOR SALE - Complete Station

TS120S w/500 Hz filter (YK-88c), PS30 power supply, VF120 VFO, MB100 mobile mounting bracket, service manuals, instruction manuals, mobile microphone - \$795. Call Jack Hollander, N6UC - 714/544-5369.

## 11 Year Flashback

Here is what the masthead of the November 1970 SCDXC Bulletin looked like. You may not remember all the calls but the names should be familiar:

### SOUTHERN CALIFORNIA DX CLUB BULLETIN

President: Sam Gray, W6ZJA  
Vice Pres: Dick Norton, W6DGH  
Secretary: Jim Horndon, W6SXA  
Treasurer: Jim McCook, K6GLC  
Director: John Browning, W6ASA  
Director: Jack Hollander, WB6UDC  
Director: Jay Holladay, W6EJJ/HH9  
Editor: Jerry Hagen, WA6GLD

November 1970

NOVEMBER MEETING - will be held at Cliftons on  
Thursday November 5. See you there at 7:30 PM.

## DX NEWS HIGHLIGHTS

WEST AFRICA EXPEDITION - DJ6QT and DJ1QP are planning a trip to ZD3, TY, TZ, XT, 5V and CT3 beginning November 5. Application has been made to operate from Nnabon and Fernando Poo Islands. Five band operation is planned with CW frequencies being 2504, 7002, 14025

### Callbooks Available at Special Price

Al, K6YRA, advises that Ham Radio Outlet is offering a special price to SCDXC members for the 1982 Callbooks, expected to be out shortly. Both foreign and domestic Callbooks can be purchased for a total of \$35 including tax. Regular price is approximately \$39. This special price applies only for the pair. Drop in at any of their stores in Van Nuys, Anaheim or San Diego.

### New Club Directories

The new club Directories are still being distributed to members at the Club meetings. After the next meeting, Directories will be mailed to those members who have not yet picked them up.

### DXCC/WAZ Band/Mode Worked List

Al, K6YRA, has proposed that a list be prepared, and published in the Bulletin on an annual or semi-annual basis, of the number of countries and zones worked by SCDXC members, by band and mode. The grand total will equal the total number of countries and zones worked on CW and SSB in the 7 bands from 6 to 160 meters. If you are interested in participating in this "game", fill in the following list and give it or mail it to Allen Friedman, K6YRA, 16670 Addison St., Encino, CA 91436. It is planned to publish the first list in the January 1982 SCDXC Bulletin.
